

Berridge Governors

2025-2026

Please find a list of the governors at Berridge and details of responsibility and terms of office.

From September 2017, there is a duty to publish a register of Governor interests which includes any relevant business interests and other educational establishments they govern. The register also includes any relationship between governors and members of school staff such as spouses, partners or relatives.

Details of Business Interests if stated above:

None of the governors have any Business Interests connected to the school.

Mrs Vicky Merrick runs an educational consultancy business but the services are not used by Berridge. The governors only govern at Berridge and no other educational establishments except **Vicky Merrick who is a trustee for David Nieper Academy Trust. School does not work with or have any business interests with this trust** None of the governors have any relationships with school staff.
