

How can I see round a corner?

Berridge Home learning Challenge

Research the famous scientist Isaac Newton to learn about his discoveries of light. Present your findings however you wish, e.g. fact file, poster, non-chronological report.

Berridge Home learning Challenge

Use your knowledge of shadows, including changing the shape and size, to create a short shadow puppet show.

Berridge Home learning Challenge

Use your knowledge of how light moves and reflection to design a periscope. The periscope will allow you to see over objects. You will then use your design to build the periscope with the equipment available to you.
