

Year 4 Knowledge Organiser- Can you find the treasure?

What will I learn?

In this topic we will learn to:

- how to use coordinates and compass directions when map reading
- recognise some OS map symbols

An eight (8) point compass

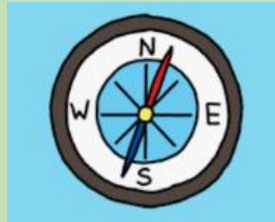

I'm Thema, an explorer. I use maps all the time when I am visiting new places around the world.

Key Vocabulary

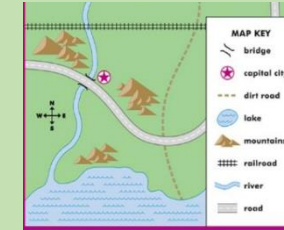

Compass

A device that shows direction. e.g north

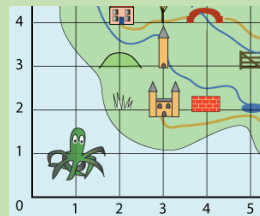

Key

Explains what the symbols on a map mean.

Coordinate

Numbers that show a location. e.g the castle is at (3,2)

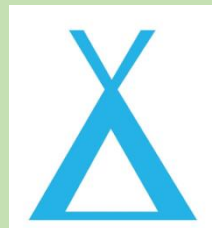

Route

The way to get from A to B

Symbol

A picture that shows something on a map- e.g a camp site

Navigate

Follow a route on a map

Can you find the following symbols on the map?

nature reserve — 

garden — 

place of worship — 

picnic area — 

camp/caravan site — 

parking — 

phone — 

What other map symbols do you know?

Scan these QR codes to find and research information about the maps.
