

What would Paddington see in London?

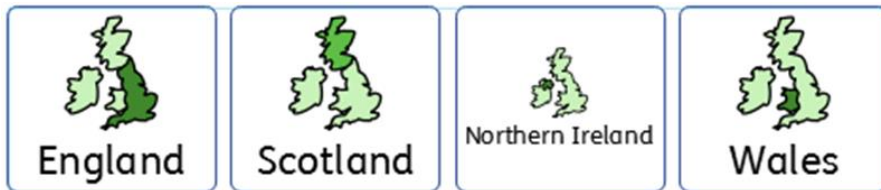

In this topic we will learn to:

Where in the UK is London?

What other UK countries and capital cities could Paddington visit and what might he see?

The United Kingdom is made up of 4 countries.

Previous learning

You should already know:

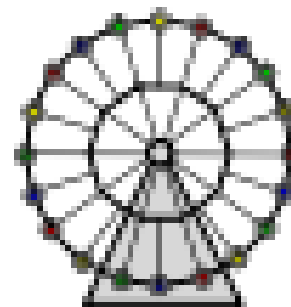

- I can compare what it is like to live in a hot country and a cold country.
- I can identify some places on a map.
- I know some of my local area.

What could Paddington see in London?

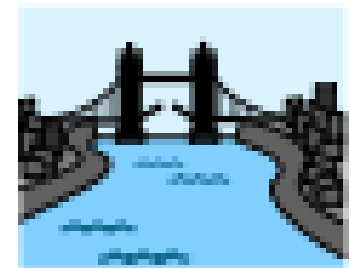

London Landmarks

London Eye

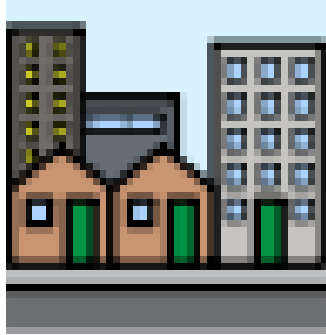

River Thames
