

## Is every life cycle the same?

### Home learning challenge

1\* - Create a labelled diagram of a flower showing as much detail as you can.

2\* - There are many different types of butterfly and frog. Research one of your choice and create a fact-file for it.

3\* - Observe and record butterfly development and produce a diary which describes the life cycle of a butterfly.

4\* - Write a short story of the 'Dream Giver'. [Click here to rewatch the video:](#)
