Reading Newsletter

Welcome back to school for this new half term.

This newsletter is packed with helpful information to support your child's reading skills and nurture their love of books.

Top tips:

- Build reading into your child's daily routine.
- Buy or borrow books that follow your child's interests.
- Talk to your child about what they've read when reading together.

Reading diaries.

Children are expected to read 3 times a week at least and record this in their diary.

Please write in the diaries what the children have read at home this could be their Little Wandle book, book band book, sharing books (F2) or their fun book (Y1 and Y2). If you have anything else you have at home you want to read, track it in your diary so we can see how much you are reading.

Story time favourite

Chestnut class loved reading *Horrid Henry* We really loved reading *Horrid Henry* with our teacher at story time! It was so funny when Henry did naughty things and got into trouble. We liked guessing what he would do next and laughing at the silly parts. Our teacher did all the voices, which made it extra fun. Story time with *Horrid Henry* was the best part of the day!
