

# Reading Newsletter

## Welcome back to school

We're excited to kick off a half-term filled with fantastic reading opportunities!

## Reading diaries.

Children are expected to read 3 times a week at least and record this in their diary.

Please write in the diaries what the children have read at home this could be their Little Wandle book, book band book or their fun book. If you have anything else you have at home you want to read, track it in your diary so we can see how much you are enjoying reading.

## Tips for reading at home.

- Build reading into your child's daily routine.
- Talk to your child about what they've read when reading together. Use the question prompts in your child's diary to help you with this.

## Stay and Read

Every Friday morning you are invited to come and join us in every classroom to read with your child. Come and stay from 8:50-9:05 and read. We would love to see you!

### Year 1

Please remember to bring back your Little Wandle book back every week so it can be swapped for the following week.

## Useful links

Here is some useful help to understand phonics with your child.
